Re: Freedom of Information Act (FOIA) Request Number
10-RIN-00212-93

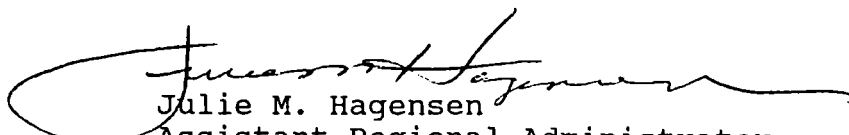

Dear Ms. Turley:

This is in response to your February 10, 1993, request for information concerning the Pasco Sanitary Landfill.

In a February 22 phone conversation with Bob Kievit of my staff, you were informed about the volume and contents of EPA files on the Pasco Landfill and the fact that the Washington Department of Ecology has the current lead role in remedial activities at the landfill.

You indicated that it would take a week or two to determine whether you need to review the EPA files on the landfill. Please contact Bob Kievit at (206) 753-9014 concerning any review of the EPA files. If we do not hear from you by March 8, we will consider this matter closed. Otherwise consider this an interim response to FOIA request number 10-RIN-00212-93.

Sincerely,

Julie M. Hagensen
